The Fatherhood Foundation thanks you for your prayers and support as we work together to inspire men to a greater level of excellence as fathers. We have run adverts on national TV to encourage fathers, We also run fathering courses and a weekly inspirational email for busy dads at [www.fatherhood.org](http://www.fatherhood.org) Register online now!

Our goal is to 'turn the hearts of the fathers to their children and the hearts of the children to their fathers'. Malachi 6:4. As part of a long term strategy for a change, the Fatherhood Foundation and Mensprayer.com have called men to pray and fast on the first Monday of the month. This monthly day of prayer will continue after the Summit.

While the Men's Prayer Summit is in progress in Parliament House, strategic discussions will be being held with parliamentarians and community leaders. These strategic discussions will promote grass roots change and parliamentary reformation of our laws in order to turn the tide of fatherlessness in our nation.

Fatherlessness has been shown to cause poverty, increase mental health problems, increase drug and sexual abuse, increase crime and lower our children's educational performance. It has been estimated that fatherlessness costs Australia over 13 billion dollars per year.

We urge you to take advantage of this unique opportunity to pray in our Parliament House for the fathers and families of this nation at the Prayer Summit.

Special thanks to Hon Danna Vale, Minister of Veteran Affairs for her kind sponsorship of the Men's Prayer Summit.

## Call to Prayer

A unique opportunity held at a unique place at a unique time

We invite you to the Men's Prayer Summit 18<sup>th</sup> - 19<sup>th</sup> August, 2003, Parliament House, Canberra.

*I looked for a man among them who would build up the wall and stand before me in the gap on behalf of the land so I would not have to destroy it, but I found none.*  
*Ezekiel 22:30*

We need a release of the Spirit of Fatherhood across our land. This is the essence of our Heavenly Father. His maturity and love is the ultimate source of the honour and respect that every Australian so desperately craves. The spirit of fatherhood is a mature heart. One that is willing to take responsibility for the welfare of others - our children, our wives, our neighbours, our cities, our land, our world.

Come to Parliament House as we meet and pray with our nation's parliamentarians. Come and pray for our nation as we stand in the gap as spiritual fathers of the nation.

Invite your local member to the Prayer Summit Breakfast to hear Col Stringer speak about our Christian heritage. This is a unique opportunity to pray in the gates of our nation. We believe our Heavenly Father has called us together for 'such a time as this' Please book early as space is limited. We look forward to seeing you.
